BECOME A MEMBER:

The Clarkdale Historical Society & Museum is an independent, non-profit organization formed in 2003 to collect and preserve the history of Clarkdale, a unique model town with a long and fascinating background. For this purpose, we have established a Museum to preserve artifacts as well as to sponsor events and exhibits for the further education of the public on the rich local history of the Town of Clarkdale. The Museum is located in the old Clinic Building at 9th Street and First North Street in Clarkdale. We hope you will join us and help in this worthy cause.
